Kate Kerr Introduction

Ms. Kerr is the new superintendant for SD46. She started the position on August 1st and has been visiting all PACs. Our learning journey is based on our stories, as individuals and as a district. They connect us. Kate is the Mom of two boys, grades 7 at Roberts Creek and grade 8 at Chatelech HS. She became a teacher because of her positive experience in school. She taught at Langley Secondary for twelve years, then moved to the Sunshine Coast. She taught at Elphinstone Secondary, later became a vice principal there, and then became principal at West Sechelt Elementary. She then became principal at Chatelech Secondary (after Mark Heidebrecht). After that, she became the director of instruction for inclusive education. Asked for questions.

Jodee - made the point that it's easy to lose the connection when parents aren't in the schools. Kate said people may not have questions now, but she wanted to create a connection in person so people will feel free to reach out at any time in the future.

It was **MOVED** by Mary MacKay to approve the minutes of the last AGM (October 15th, 2020).
